

New Product Development Technician

VitaFlo (International) Ltd are currently looking to recruit a New Product Development (NPD) Technician on a full-time, 12 month fixed term contract. The role will be based at the global VitaFlo head office which is situated just outside of Liverpool city centre. This is an exciting time to join the team in order to support and streamline the day to day activities of the NPD department.

VitaFlo (International) Ltd has been at the forefront of developing innovative specialised clinical nutrition products for metabolic disorders, ketogenic diets, renal disease and disease related malnutrition for over 20 years. We work in partnership with healthcare professionals, patients and their families, in order to create products that combine the best of cutting-edge research with the lifestyle demands of modern living, ensuring the most acceptable products are available.

What can you expect?

As the NPD Technician, your main responsibilities will consist of the following:

- Support product trials through ordering, preparing and weighing raw materials
- Maintaining laboratory equipment, including cleaning and calibration
- Coordinate the shipment of materials where applicable to support NPD Technologists during trials
- Prepare product samples for analysis
- Laboratory testing of trial products
- Support the Sensory and Research & Development function as reasonably requested

Who are we looking for?

We are looking for applicants who possess the following:

- Experience in a lab environment is essential
- Self-reliant with a high degree of motivation
- Extremely organised with the ability to prioritise workload
- Proficient in IT packages inclusive of Word, Excel and Outlook
- Great team player with excellent communication skills

What we will offer you?

- Competitive salary
- 25 days' annual leave plus bank holidays and Christmas shutdown
- Option to buy / sell annual leave

- Discretionary bonus scheme (subject to qualifying period)
- Gym membership (subject to qualifying period)
- Private healthcare (subject to qualifying period)
- Excellent working conditions
- Employee recognition scheme
- Volunteering opportunities
- Employee Assistance Programme
- Employer pension contribution (3% rising to 5% subject to qualifying period then matched up to a maximum of 10%). Employee minimum contributions apply
- Cycle to work scheme (subject to qualifying period)
- Life assurance
- Free on-site parking

What next?

Do you think your skills match what we are looking for? Then get applying!

Please email a copy of your CV with a covering letter to hr@vitaflo.co.uk along with any questions you may have.

Closing date for applications is Tuesday 18th January 2022.

Vitaflo (International) Ltd is committed to equal opportunities and values the diversity of all people. We treat people fairly and with dignity, respect, inclusion and belonging. We accept job applications in a variety of formats and should you need any documents in a different format or require any further support or assistance, please contact the HR department.
