

Warehouse Technician (Fixed-Term Contract)

Vitaflo (International) Ltd are currently looking to recruit a Warehouse Technician to work at its global head offices just outside of Liverpool city centre on full-time, on a 3, 6 or 12 month Fixed-Term contract, we are happy to discuss this with you. You will support all aspects of the warehouse function, ensuring all customer and patient orders are delivered accurately, on time and in full. The working hours for this rotational shift position are Monday – Thursday 07:00am – 15:00pm or 11:00 am – 19:00pm and Friday 07:00am – 15:00pm or 10:00am – 18:00pm.

Who is Vitaflo?

We are part of Nestlé Health Science and continue to expand our global footprint with a worldwide presence in Clinical Nutrition. Behind our pioneering company are people who drive breakthroughs in research and development, creating innovative impact.

Our employees are at the heart of what we stand for with 96% saying they are proud to work for us and 94% recommending Vitaflo as a good place to work.

Our Headquarters, based in Liverpool, is the hub of innovative and creative activity. We strive to be at the cutting edge of our industry sector with patient's needs being at the forefront of our mind. We work collaboratively, share our knowledge and expertise and above all love what we do and why we do it.

What will you do?

As Warehouse Technician, your core responsibilities will consist of the following:

- Accurately pick and pack customer orders in line with dispatch times
- Operation of warehouse trucks i.e. pedestrian powered truck
- Understand configuration of finished goods for international customers to ensure that the correct paperwork is supplied
- Ensure warehouse and working area is kept clean and tidy
- Working with SAGE and Warehouse Management Systems
- All reworking of products
- Any other duties as required

Who are we looking for?

To be considered for the role, you would ideally have previous experience working as a Warehouse Technician / Operative, although not essential, and also possess the following skills:

- Educated to GCSE standard (or equivalent) in Maths and English
- Diligent attention to health and safety
- Excellent communication skills
- Ability to work independently and within a team

- Have a positive, can-do attitude
- Takes pride in their work
- A keen eye for detail to spot opportunities for improvement
- Ability to multitask and work in a fast-paced environment
- Excellent organisational skills that reflect the ability to prioritise workload
- Proficient I.T skills with a knowledge of Microsoft packages would be beneficial

What we will offer in return

- Competitive salary
- Discretionary bonus scheme (subject to qualifying period)
- Employer pension contribution (3% rising to 5% subject to qualifying period then matched up to a maximum of 10%). Employee minimum contributions apply
- Private healthcare (subject to qualifying period)
- Employee recognition schemes
- Volunteering opportunities
- Employee Assistance Programme
- Gym membership (subject to qualifying period)
- Cycle to work scheme (subject to qualifying period)
- 25 days' annual leave plus bank holidays and Christmas shutdown
- Option to buy / sell annual leave
- Study support
- Life assurance
- Free on-site parking

What next?
