

# PROZERO™

PROTEIN FREE ALTERNATIVE TO MILK

ACBS  GMS  PBS

## Description

### Food for special medical purposes.

ProZero™ is a protein free, liquid blend of carbohydrate and fat.

## Indications

ProZero is for the dietary management of inborn errors of metabolism and kidney disease from 6 months of age.

## Dosage and Administration

To be determined by the clinician or dietitian and is dependent on the age, body weight and medical condition of the patient.

## Preparation Guidelines

Shake well before use.

Best served chilled.

ProZero can be used in a similar way to milk:

- As a drink.
- On permitted cereal.
- Added to tea or coffee.
- In permitted recipes.

## IMPORTANT NOTICE

Must only be given to patients with proven inborn errors of metabolism or kidney disease under strict medical supervision.

Suitable from 6 months of age.

Not for use as a sole source of nutrition.

For enteral use only.
